Those Fall Shoes

This is just the time you need heavier-soled, stouter-built footwear. The light shoes are all very well and quite the proper thing for Summer—but now it's cool weather and it will soon be colder, and you should get a pair of our comfortable, stylish, wearable shoes, at something under what the same thing would cost you elsewhere.

FALL TOGS!

We mean by "togs"—clothing. Of course you need some, but the point that troubles you is where you'll get it— isn't that so? The only thing we'll ask of you is, come in and let our salesman show you our stock, tell you the prices, and if you wish it, tell you the advantages of buying here. Isn't that a fair proposal?

KNIT SWEATERS

Nothing better to wear without an overcoat on a cool day, and to wear under an overcoat on a cold day. So you see they're useful from now on through the winter. We've a complete line for men and boys in different qualities, colors and prices. A price to fit every purse.

George N. Tilden has placed in the repair shop connected with his shoe store a Champion shoe repairing machine which does a tap on a shoe in a half minute's time, and do it better than hand work. The machine also has attachments for finishing edges, polishing, etc., so that a much greater amount of work can be turned out in a day than formerly.

There's another of those interesting ads. of A. A. Smith and Brother's on page 5 today. You'll find some pretty reasonable talk in it, and some that may strike your eye exactly. Hadn't you better read it now. Their showing of fall shoes is large and the style and quality is admittedly good. As usual, their prices are right down to bed-rock. "Low prices, small profits," is their motto.

One of the greatest feature programs ever seen in Barre will be seen at the "Comique" to-day and to-morrow. "The Dieppe Circuit, 1908," is a great automobile racing picture, and when this film was taken an accident occurred in which three people were killed. The accident can distinctly be seen in the picture. Another feature, "The Inexperienced Cabbie," is without exaggeration the funniest ever made.

Miss Grace Town Wood of New York state will be glad to give instruction in instrumental music at No. 28 Franklin street, Barre. Miss Wood is a graduate of the Hawthorn conservatory of Pottsdam, N. Y., and has spent one year at the Hiacar conservatory and one year at the Crane institute of Pottsdam. She has had several years' experience in teaching and has always had excellent success. Telephone 213-2.

The Bijou theater has today a classic picture, something entirely new in Barre. Photographs taken from Shakespeare's great play, "As You Like It" as presented by one of the best companies of the day. One who has seen it told the "critic," that it was a fine picture in every way, and equal to seeing the actual drama. Almost. Students of English in the local high school and seminary would do well to see this picture. There are two other good, clean pictures and a song to complete the entertainment.

A regular meeting of Division No. 1, A. O. H., will be held on Thursday evening, October 15, at 7:30 o'clock, in K. of C. hall. A joint meeting with the ladies' auxiliary will follow. Important. Per order, the president.

SEALSHIPT OYSTERS

Thursday at Sowden & Lyon's

Yesterday we told you how Sealshipt Oysters were shipped, you remember,—in a sanitary, air tight, white porcelain-lined case, which is sealed at the beds.

Today the point we urge you to think well of is Sealshipt Oysters are not half ice water, but all solid meats.

Here's the why of it: Sealshipt Oysters are fresh-opened, washed and drained, and packed solid in the patented carrier—with ice all around them, but not in them.

They come to you with that true "half-shell" flavor and a delicious piquancy.

When you buy a pint of Sealshipt oysters you get a full pint of oysters and nothing else. When you buy tub oysters, how much water of doubtful purity do you suppose you are paying for?

Try a pint of these better oysters this week. They'll cost 25c, and we leave it to you to say whether or not they're worth it.

Use Telephone 217-3.
